

WESTERLY

The first town council meeting for 1921 was held Monday morning at the council chamber in the town hall. When plans were made for conducting the new year's business. After the minutes of the previous meeting were read, P. C. Butler, a member of the Western Board of Trade, called the attention of the council members to the untimely condition of the Pawcatuck river. He told of the system used by the Board of Trade for booming the town, and of the damage that has been done to the river, telling people of the good things they might expect to find in Westerly. He said he would not want to take a picture of the river and send it out of town, and from the crisis on the river, telling people of the good things they might expect to find in Westerly. He said he would not want to take a picture of the river and send it out of town, and from the crisis on the river, telling people of the good things they might expect to find in Westerly.

Several of the councilmen were in favor of having a town ordinance to restrict people from throwing refuse into the river, but they were advised by the town solicitor that there is a state law which forbids the pollution of any stream. The matter was left with the town solicitor Harry B. Agard, to report at a later meeting.

It was voted to authorize Town Treasurer James Pendleton to issue notes to clear up the unpaid bills of the past year. Mr. Pendleton said that some of the departments were late in getting in their bills, but he said that he would have enough money to care for all the unpaid bills.

The budget for the year next came up for discussion. Mr. Pendleton suggested that members of the school and highway committees be invited to the next meeting, so that they might express their views, and it was so voted. As the members must shoulder the burden of the expenses, it was felt that they should have a voice in the matter, and it is expected that a large attendance will be present when the council convenes for its next regular meeting on January 18.

The Best Cough Syrup Is Home-made.

Here's an easy way to cure it, and yet have the best cough remedy you ever tried.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? Thousands of families, the world over, feel that they could hardly keep home without it. It's simple and cheap, but the way it takes hold of a cough will soon earn it a permanent place in your home. Into a pint bottle, pour 2 1/2 ounces of Pinex; then add plain granulated sugar syrup to fill up the pint. Or, if desired, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, never spoils, and gives you a full pint of better cough remedy than you could buy ready-made for three times the cost. It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the phlegm, heals the membranes, and gives almost immediate relief. Splendid for tickle, hoarseness, croup, bronchitis and bronchial asthma. Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments. To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.

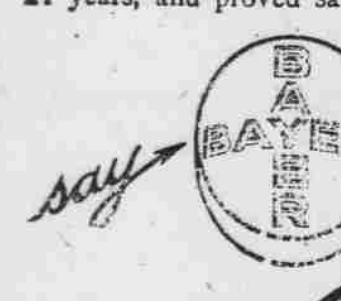

Resinol for the sportsman's use

Everyone who indulges in indoor or outdoor sports should keep a jar of Resinol ready to relieve the chafing or itching rash so often produced by overheating the blood. It cools the inflamed spots, stops the itching and burning and restores the skin to its normal condition. Resinol Ointment and Resinol Soap are also widely used for improving poor complexion. Your druggist sells them.

WARNING

Unless you see the name "Bayer" on tablets, you are not getting genuine Aspirin prescribed by physicians for 21 years, and proved safe by millions.—Say "Bayer!"

SAFETY FIRST! Accept only an "unbroken package" of genuine "Bayer Tablets of Aspirin," which contains proper directions for Headache, Earache, Toothache, Neuralgia, Colds, Rheumatism, Neuritis, Lumbago, and pain generally. Strictly American! Handy tin boxes of 12 tablets cost but a few cents—Larger packages. Aspirin is the trade mark of Bayer Manufacture of Monocetone and other Salicylates.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause—the aliment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles. Have you a bad taste, coated tongue, poor appetite, a hazy, don't-care feeling, no ambition or energy, trouble with indigestion? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 50c.

The report of Dr. Samuel C. Webster, health officer of the town, showed nine cases of diphtheria and one of mumps. In the past year, but one death has resulted from diphtheria.

The council authorized Clerk Whipple to pay for a safe which has been purchased for the town treasurer. The cost is \$244.70.

While walking on the state highway between Stonington and Mystic Sunday afternoon, Miss Agnes E. Shackley of Stonington was struck by an automobile driven by Thomas Nichols of Westerly.

According to Mr. Nichols' story, he was driving toward Mystic at about 20 miles an hour, when he came upon a group of four girls walking arm in arm in the same direction in which he was going.

He turned to the left of the road, intending to pass them, when two large touring cars sped over the brink of the hill near St. Mary's cemetery. He blew his horn to warn the pedestrians to get off of the road, and one girl heeded the signal. As he squeezed in between the oncoming cars and the group at the right of the road, the right wheel struck Miss Shackley, and knocked her down.

Strapped to a Sunday afternoon promenade, it is a wonder that a more serious accident has not happened before, for the pleasure strollers persist in parading the road, hazarding their safety.

At the board of trade meeting to be held this (Tuesday) evening in the town hall, the members will vote on the resolution introduced by Irving O. Chester at the December meeting, providing for the appointment by the president of the board of a committee of 15 to investigate the possibilities of a hospital for Westerly. A nominating committee will also be appointed to draw up a slate of officers for the current year.

David McG. Newell, of New York city, formerly of Westerly has received word of the death of his mother in Palestine, N. Y., on December 27. The funeral took place last Friday, December 31. Mrs. Newell was known to a number of Westerly residents who have come to this country from Scotland.

The women of Moore-Heart Legion held a successful dance in Mechanics hall Saturday night. Mrs. J. Cooper was awarded the prize as the best dressed lady, and Charles Marr the prize as the best dressed gentleman.

The band members will have their annual supper at a local restaurant. Byron A. Bliven has returned to Dean Academy, Franklin, Mass., after a short vacation at his home on Morgan street.

Mrs. Howard M. Barber and Mrs. Alice T. Rathbun entertained at a young people's dance in the Rhode Island hotel New Year's night.

The week of prayer opened in Westerly Monday night with services at Christ Episcopal church. Rev. C. A. Burdick, D. D., gave a sermon on "Thanksgiving and Communion."

Many young people left town Sunday to return to prep schools and colleges which opened for the winter term on Monday.

Miss Margaret Higgins has returned to her home in Cleveland, Ohio, accompanied by her mother, Mrs. Michael Higgins of West Broad street.

The meetings of the Stonington Travel club will be resumed today (Tuesday) at the Free library at 4 p. m. Mrs. Clara H. Davis of the club will give a talk on "Providence and the Troubadors."

Mrs. Cutler who was to have had a topic today has exchanged with Mrs. Davis and will present her paper Jan. 18.

Cod and haddock seem to be plenty in this section now. Capt. Elmer made a big catch of 2000 pounds on Saturday and Capt. Galt took 800 pounds. All the fish are of a large size and in the New York or Boston market will bring good prices. Several of the fishermen are still traveling for scallops and make good hauls, though they do not turn in the money they clear several weeks ago.

During the past week several good catches of flounder have been made and shipments are sent nearly every day.

Those with the best attendance for the year in the second Congregational Sunday school departments follow: Robert Taggart, 41 Sundays; Doris Rix, 41; Emma Swader, 41; Raymond Bailey, 39; Edward Johnson, 38; Bertha Selmer, 38; Beverly Usher, 38; Miss Barbara Muller, 51.

There will be a service of prayer meetings at the Parsonage by the Sea, starting Friday, Jan. 8, at 7:30 p. m.

Chaplain M. O. Alexander of the submarine base occupied the pulpit of the Union Baptist church Sunday morning and evening. Mr. Alexander has been transferred from his present quarters at the base and announced that he would not be in this locality again for three years at least.

Mrs. Pearl Chapel, who has been suffering with a dislocated bone in her knee and torn ligaments, has had the fracture reduced and is convalescing satisfactorily. Chester Comstock, Robert Paton and Arthur Furber attended the installation of Union lodge, F. & A. M., in New London Thursday night. A turkey supper was served at the close.

Word has been received by relatives here of the death of Albert Johnson at his home in New York state. Mr. Johnson was well known here, having spent considerable time each year with his sister, Mrs. Harriet Edmonds.

Sunday morning Miss Nan Allen was taken suddenly ill and was removed to Lawrence hospital, New London, where an operation for appendicitis was performed successfully. Miss Allen is reported as resting comfortably.

Miss Grace Lyon has returned from several days' visit with friends in Hartford.

Mrs. Mabel Hunt and her children ar-

rive in town last Thursday and are at

the home of Mr. and Mrs. Fred A. Hunt.

Mrs. Hunt has been at Groton Long Point

and at the home of her father, F. H.

Holmes, in New London, during the sum-

mer and fall.

Adam Seabury of Hempstead, L. I.,

spent the week end in town, the guest of

his cousins, Mr. and Mrs. Charles K.

Hitchcock.

In the little old schoolhouse on the

Green a delightful entertainment was

given Christmas eve by the 13 children

attending the school. Miss Marion

Holmes, the teacher, had worked assid-

uously with the children and two short

plays were given, one by the primary de-

partment entitled "A Doll's Hospital,"

the other by the grammar department en-

itled "Christmas." Five small children

took part in the primary department play,

in which one of the dolls became ill; the

doctor who was called proved to be Santa

Claus, who was impersonated by Donald

Woodward, who distributed the gifts.

Henry Hutehew, who was elected re-

presentative and who will be in Hartford

during the session of the legislature this

winter, disposed of his herd of 24 cows

by auction last Thursday, the animals

bringing prices ranging from \$45 to \$150

and averaging \$100 each. He expects to

renew business with the same breed of

cows after the close of the legislature.

BALTIMORE

The Baltimore baseball club held a

most successful dance in St. Jean's hall

New Year's night. There was a large at-

tendance from Greenville, Taftville and

other places. As the Rivals went

to a considerable expense they feel grate-

ful to all for their support. Mr. Hickett

had charge of the floor, Mr. Barlow col-

lected tickets, while Frank Adams looked

after the box office arrangements. The

manager supervised the check room. (The

Rivals intend to have another dance late

in the winter, the popular catcher of the

Rivals, is soon to join the benedictus and

live in Taftville and the Rivals all have

been wishing him the best of luck.

BRIEF STATE NEWS

Barnstable.—The Taylor-Atkins Paper

company started up Monday morning.

Southampton.—While cutting down a

tree in the rear of a market on Center

street, Ernest Matthews was injured when

the tree fell and struck a telephone pole,

breaking the pole in half. Part of the

pole struck him.

New Haven.—Miss Marjorie Montgom-

ery, daughter of Mr. and Mrs. Phelps

Montgomery of New Haven, will be for-

mally presented to society at a dance to

be given Saturday evening at the New

Haven law club.

Westport.—Because no lights were on a

horse-drawn coal cart, Ernest Middleton

and James Smyth, riding on a motorcycle,

ran into it in Westport recently and both

were killed. Pontiac, coal car driver, is

held for manslaughter.

West Hartford.—James H. Graham,

who lives in West Hartford, does not

know his age, but thinks it must be near-

ing the 50 mark, because in 1881, when

the Civil war was raging, he was a young

man, a slave on a plantation in Virginia.

East Hartford.—Mr. and Mrs. Thomas

H. White of the Brewer apartments, East

Hartford, announce the engagement of

their daughter, Miss Margaret Hamilton

White, to George Marshall Martin, son of

Mr. and Mrs. Charles E. Martin of Louis-

ville, Ky. Miss White is well known as a

Do you pay your body

for the work it does?

All physical and mental energy expended by the body must

be replaced. Because the body can't continue to supply en-

ergy unless you give it sufficient material to produce energy.

In other words the body must be paid for the work it does.

If you tire easily—If your nerves

are shaky—If your blood is poor—

If you are run-down or debilitated—

your body is asking for payment.

That means your system is calling for

those materials which it needs and with-
